WHAT'S NEW IN THE CLASSROOM

All of our classes will be Spring planting and working on projects for Mother's and Father's Day this month. We will also be enjoying a unit on sea life and wild animals.

Our Bible Lessons will be on how God wants us to trust Him and spread his love to others. Reminding us that we can worship God by singing praying and telling others about Him.

PRE-K ADVENTURE DAY

This month's Adventure Day will begin right here at preschool. It's something every pre-kindergartner needs – a lesson on riding the school bus! The trainer for the Lake Stevens Transportation Co-op will be here to teach us all some safety rules about riding the bus and then we'll take a short bus ride around the area. We hope it will make that first week of kindergarten a little easier!

No Parent Transportation needed, but you can ride with us if you like!

Date: Wednesday, May 3rd

Time: 10:00am

Cost: None

You should plan on dropping off and picking up your students at the regular times. If you will not be riding with us, you will need to sign a permission slip for your child to ride the bus without you.
