

Who We Are

Ebenezer Lutheran Church Preschool is a ministry of Ebenezer Lutheran Church and has been a member of the Evangelical Lutheran Educators Association (ELEA) for over 30 years. We offer a Christian pre-school experience to children ages 2-5 years old, regardless of religious affiliation, gender, race, color, or national and ethnic origin. Our teaching staff is qualified to teach all of the different age groups and have multiple years of experience. They continue their education throughout the year with different workshops and conferences. We have a good relationship with the Lake Stevens School District, which informs us of their expectations for kindergarten and helps us prepare each child.

What We Provide

Our preschool program is centered on the significance of play as an integral part of a child's learning process. We strive to help children build a positive attitude about themselves, their school and the world around them. Each child learns that s/he is a special and unique child of God, cherished and valued in this world.

By providing a variety of play equipment and activities, children are encouraged to develop in a very natural way. Our program also uses theme-oriented discussions, books, finger plays, songs, games and projects.
